

Free EXCAVATOR TRAINING

Pennsylvania One Call System, Inc. purpose is to prevent damage to underground facilities. To promote safety, we provide an efficient and effective communications network among project owners, designers, excavators, and facility owners. Pennsylvania One Call System, Inc. will offer nine (9) Excavator Training sessions for any professional excavator who works within the Commonwealth of Pennsylvania, and for anyone associated with damage prevention.

February–April 2018

Chester, Cumberland, Jefferson, Juniata, Lancaster, Luzerne, Tioga, Washington and Westmoreland counties.

Training Objective

The class objectives are to teach the 'Five Steps to Safer Digging' techniques for planning, notifying, responding, protecting and your obligations according to the state law—PA Act 287, as amended.

Interactive Learning

Engage with the presenter by answering questions anonymously. Use a responder to confirm what you already know, then gain additional knowledge on the parts of the law you need to know. It's a fun way to learn.
