

# *Free* LOCATOR TRAINING

Pennsylvania One Call System, Inc.'s purpose is to prevent damage to underground facilities. To promote safety, we provide an efficient and effective communications network among project owners, designers, excavators, and facility owners.

Pennsylvania One Call System, Inc. will offer eighteen (18) Locator Training sessions for our member facility owners, professional locators working in the state of Pennsylvania, municipal workers and anyone associated with damage prevention.

*February–April 2018*

Beaver, Bedford, Blair, Bradford, Bucks, Clearfield, Dauphin, Erie, Indiana, Lebanon, Lehigh, Lycoming, Montgomery, Venango, Washington, Wayne, Westmoreland, and York counties.

## *Training Objective*

The class objectives are to define a facility owner's responsibilities according to PA Act 287, as amended, determine correct notification information, discuss and understand how the color code standards work, practice the four components of a correct mark and to respond through Pennsylvania's automated response system (KARL).

## *Interactive Learning*

Engage with the others who specialize in your field to gain knowledge of the law and the processes you are required to understand when locating underground lines in the state of Pennsylvania.

*Register Today* [www.paonecall.org/EVENTS](http://www.paonecall.org/EVENTS)

Training starts precisely at 8:30 and ends at 11:30 a.m. A complimentary lunch will be served at noon. Pre-registration is required.
