## Let's Make Tree-Planting History in Tennessee!

February 24, 2018 is ***250K Tree Day*** — the largest Community Tree Planting event in Tennessee history, and the largest in the nation. Tennessee Environmental Council is orchestrating this event in which we give away and plant 250,000 native seedlings in one day. Here are the event highlights:

- 250,000 seedlings provided at no cost to Tennesseans, and planted in our state,
- All 95 Tennessee counties participating,
- An estimated 25,000 volunteers participating,
- Generating an estimated 20 Million earned media impressions (great marketing value!).
